

Enabling Cookies

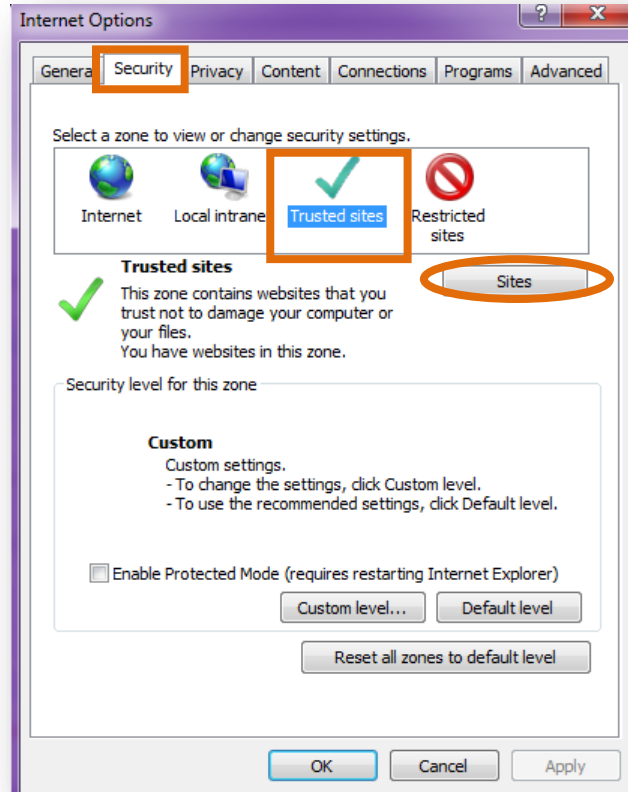

Please note: **before** you can gain access you must enable **Cookies** for this site.

How do I enable cookies?

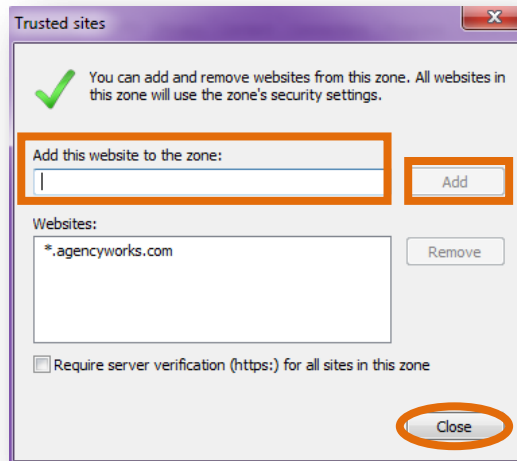

In Internet Explorer access tools by either clicking tools or the gear icon and select in **Internet Options**

Click the **Security** tab, then click the **Trusted Sites** icon, and then select the **Sites** button.

Ensure that the **Require server verification (https:) for all site in this zone** option is unchecked, and type the following in the field that says **Add this website to the zone**:

*[.agencyworks.com](https://www.agencyworks.com). Click **Add**, once complete click **Close**. To close the **Internet Options** window click **OK**.
